

A photograph of three sandwiches on a white rectangular plate. The sandwiches are made with long, golden-brown crusty bread. The first sandwich on the left is filled with arugula, a dark sauce, and a slice of yellow cheese. The middle sandwich features a slice of tomato, a slice of yellow cheese, and a green spread. The third sandwich on the right is topped with a large amount of green microgreens, a slice of yellow cheese, and sliced purple onions. To the left of the sandwiches, there is a glass bowl containing a round, golden-brown fried item, possibly a fritter or a small pizza. Above it is a small white bowl containing a green sauce. The plate is set on a light-colored, textured placemat. In the background, a glass of yellow liquid is partially visible.

Piastre elettriche

Electrical contact grills

# Piastre elettriche ghisa serie E

## Cast iron grills serie E

### Caratteristiche | Features

Piastre in ghisa speciale e carrozzeria interamente in acciaio inox con isolamento termico in fibraceramica. Impianti interni in silicovetro adatti ad alte temperature e cavo di alimentazione in HO7RN-F. L'apparecchio dispone di termostato di sicurezza per eventuali sovratemperature ed è costruito secondo normative vigenti.

*Grills in special cast iron and outer case completely made in stainless steel with inside thermic insulation made of fiberceramic. Inside cables made of siliconglass high temperature resistant and power cable in HO7RN-F.*

*The machine is supplied with inside safety thermostat to avoid overheating and it is manufactured according to the existing norms.*

### MRE

Piastra media rigata  
*Cast iron grill medium grooved*

### Dati tecnici | Technical Data

Larghezza   <i>Width</i>	420 mm.
Profondità   <i>Depth</i>	360 mm.
Altezza   <i>Height</i>	200 mm.
Superficie utile   <i>Working surface</i>	340x230 mm. 13,39x9,06 inch
V-	230
W	2200
Kg.	20

### DRE

Piastra doppia rigata  
*Cast iron grill double grooved*

### Dati tecnici | Technical Data

Larghezza   <i>Width</i>	570 mm.
Profondità   <i>Depth</i>	360 mm.
Altezza   <i>Height</i>	200 mm.
Superficie utile   <i>Working surface</i>	480x230 mm. 18,90x9,06 inch
