90 IPERLOTUS TOUCH ACCESSORIES

Core probe Ø1,5mm for sous vide cooking on
"CPA" and "PI" touch

The core probe with thin pin and linear handle is perfect for vacuum cooking on a bag in a thermostat pasta cooker. On the pan, through the dedicated optional support, you can check creams, sterilize or pasteurize products in jars. Easy to use, once connected you can view the real temperature, set a temperature with or without final HOLD function, which brings the machine automatically into maintenance.
